## A NIGHT IN ASSISI

Untangling the Vines! Welcome to the exciting world of wine! Getting to know the unique wines of Italy is an endless adventure in taste. And there is the mystery of the wine and its “rules” – Red or white? Which glasses? Chilled or room temperature? In the end, though, the only rule is that you should enjoy the experience. Swirl, sniff and sip as vintners from our favorite wineries pour and discuss our favorite libation! Proceeds from the raffle and auction will benefit CASA and Father Craig’s scholarship fund at St. Francis! Wineries committed to pour at print time are: Wild Horse, Pozo Valley, Trintas Cellars, Meridian, Stack Stone, Chateau de Brighton and Castoro Cellars.
