## CAbi FOR CASA

Come enjoy some great wine and hors d'oeuvres in an atmosphere of friendship and conversation. Your hosts will also present the fabulous fashions of CAbi for your viewing or purchasing pleasure. CAbi has graciously offered to donate a percentage of anything purchased to CASA. All the models for the Spring Collection will be women involved in the CASA organization. Come be inspired by their stories and the difference they make. Drink, food and fashion are all in the same place at the same time! Don't miss the show!
