

2ND ANNUAL SHOP TILL YOU DROP

Enjoy a fun filled day of shopping in Santa Barbara with your girlfriends and leave the driving to the bus driver. Refreshments will be provided as you head for the coast to spend the day away from Bakersfield. While strolling through quaint cobbled arcades, towering palms, cascading bougainvillea, historic buildings and fresh sea breezes, you will discover a whole new take on browsing and buying. Chic malls, quirky storefronts, elegant boutiques, and funky thrift shops abound here. You are on your own for lunch – but will be treated to wine and munchies as you ride home worry free. Don't miss out!
