

Leap Back IN TIME

Come leap back in time and witness aviation history being made in Kern County. Twenty-two lucky souls will be “assigned” to Minter Army Air Field, circa 1942. Minter Field Air Museum will host this fascinating walk back in time. You’ll experience a WWII flight briefing and witness a flight in vintage planes. Your meal will be served in mess kits, and all drinks will be served in canteens. We encourage you to dress in 1940’s apparel. Come meet the people who graduated from Minter Field and who became an integral part of aviation history. This party ends with a personal tour of the Minter Field Air Museum conducted by Chairman of the Board, Major General Jim Whitehead, USAF Retired and Don Westfahl a WWII pilot.
